

Plan Ahead

To aid you in planning purchases of terminals, add-on products, computer supplies or documentation, we suggest you use our convenient check list. We have provided a general shopping list of items available from our inventory. Whether you plan to call, write, or come in to visit us, we hope this list helps in the selection of your purchases. We look forward to serving you in the near future.

Hours

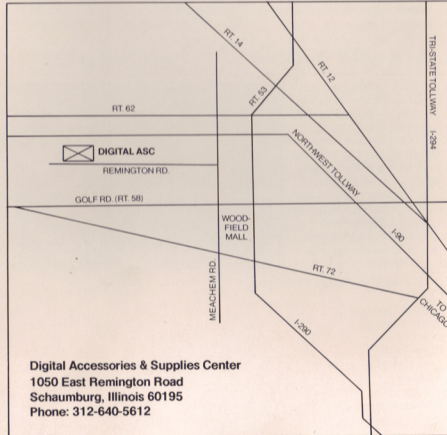

8:15 a.m. to 5:00 p.m. Monday through Friday.

Location

The Digital Accessories and Supplies Distribution Center and Showroom in Schaumburg is located midway between Route 58 and Route 62 near the Woodfield Mall.

Directions:

Take Northwest Tollway (I-90) north to Route 53 (I-290). Exit at Route 58 West (Golf Road) and travel to the intersection of Meachem Road and Golf Road. Turn right on Meachem Road (north) and follow to intersection of Meachem and Remington. Take left on Remington to 1050.

Accessories & Supplies Center

"We need 25 Magtapes in a hurry!"
"Where can I get an LA36 terminal—fast? How fast? Today!"

"Oh no! We're out of floppies and this proposal has to be ready by 5 o'clock tonight."
"How can I find out what software documentation is published by Digital?"

If these situations or questions have a familiar ring, you'll be happy to discover that there is an easy one-stop solution...

Digital Is At Your Doorstep

The Digital Accessories & Supplies Center and Showroom is conveniently located at 1050 East Remington Road in Schaumburg, Illinois, 60195.

Our facility is a 16,000 sq. foot full-service distribution and display site capable of providing you with off-the-shelf purchase or delivery, order processing, pricing, customer assistance and general information. Our full-time staff of trained professionals is well qualified and ready to meet all your needs regarding our comprehensive line of documentation, supplies, accessories, terminals and add-on products.

We invite you to write, or call at (312) 640-5612 and we will immediately process, pack and ship your order from our local inventory. Or if you prefer, drop by and pick up your order. We gladly accept Master Charge, American Express, VISA, cash or personal checks. Your company purchase order is also accepted for your shopping convenience.

Terminals And Add-On Products

A selected group of products for system expansion is available from stock for our Chicago area customers. For your convenience, these products are available in convenient packages which include local delivery, installation and a 30-day on-site warranty.

Terminals and add-ons available include:

- Video Terminals
- Printer Terminals
- Disk Drives
- Communications Interfaces

For further information, please call us at 312-640-2831.

Computer Supplies And Accessories

A full line of computer supplies is stocked in our center for long range buying or emergency situations. All Digital's supplies are manufactured to our rigid technical specifications and adhere to strict quality control procedures. The attention to detail guarantees compatibility with Digital's equipment and translates into fewer errors and less downtime for you, our customer.

Our extensive inventory includes:

- Magtapes
- Floppy Diskettes
- Disk Cartridges
- Disk Packs
- Tape Cassettes
- Fanfold Paper
- Ribbons
- Print Wheels
- Terminal Tables

The Latest Documentation

The latest editions of Digital's documentation are displayed according to system type for easy reference and browsing.

- Handbooks
- Reference Cards
- Software Documentation
- Hardware Manuals
- Engineering Drawings
