

***TeleVideo AT & Personal Mini
Compatible Products***

 **TeleVideo®**

Enclosed is a list of TeleVideo AT and Personal Mini compatible software and hardware products tested by TeleVideo or by the manufacturer. Their inclusion on this list does not constitute any form of endorsement. Not every product will be right for you. Careful consideration of your needs, in consultation with your knowledgeable TeleVideo dealer or manufacturer is the best way to insure satisfaction with your software or add-on hardware purchase.

Please be aware that each manufacturer will have its own support and update policy. You should check on these arrangements, as well as hardware configuration requirements (minimum RAM, printers, etc.) before making your purchase.

* Indicates software was tested by manufacturer
