

DOCUMENTATION UPDATE INSTRUCTIONS

EUNICE™

INCREMENTAL RELEASE 4.3.2

INSTRUCTIONS FOR UPDATING YOUR DOCUMENTATION

This package contains the documentation for the EUNICE 4.3.2 incremental release. This incremental release contains some new documentation, some completely revised documentation, and some update pages to your existing documentation.

Please add the following materials to your document set in the manner described below:

GENERAL DOCUMENTS:

- *Documentation Update Instructions*

Use these instructions to update your documentation. If you want to keep these instructions for future reference, we suggest you put this document with the *Product Release Notice* in the EUNICE Administrator section of *Volume V: EUNICE Administrator Guide*.

- *Installation Document*

Use these instructions to install the incremental release EUNICE 4.3.2 software on your system. Put this document with the *EUNICE Administrator's Guide* in *Volume V: EUNICE System Administrator's Guide*

DOCUMENTS BY VOLUME SET:

Volume I: UNIX User's Reference Manual

- Remove and discard the existing title page, preface, introduction, table of contents, and command(1) pages from Volume 1.
- Insert the new title page, preface, introduction, table of contents, and command(1) pages into Volume 1.

Volume II: Programmer's Reference Manual

- Remove and discard the existing *EUNICE Reference Manual*. Replace with the new version.
- Remove and discard the existing *UNIX Programmer's Reference Manual* title page, and table of contents. Replace with the new version.
- The following *man* pages should also replace the existing version:

AR (5)
RCSFILE (5)
REMOTE (5)

Volume III: User's Supplementary Documents

- No changes.

Volume IV: Programmer's Supplementary Documents (1 and 2)

- In PS1, replace the title page and the table of contents with the new version.
- Replace the article, "An Introduction to the Revision Control System" on page PS1:13-1 of the Programming Tools section of Volume IV, with the new version.

Volume V: EUNICE System Administrator's Guide

- Put the new *Product Release Notice* with the existing *Product Release Notice* in the EUNICE Release Note section of Volume V.
- Replace the existing *EUNICE Administrator's Guide* in the EUNICE Administrator section of Volume V with the new version.
- The following *man* page should also replace the existing version:

VIPW (8)
